ACCOUNTING SYSTEM – Accounts are maintained by the bookkeeper in two systems; the Wave Accrual Software system and the Active Registration system. Each system provides the data and audit trails to develop and verify the Income Statement and the Balance Sheet.

BUDGET - The annual budget is prepared by the Treasurer based on previous year numbers and current operating assumptions and presented at the June Board meeting for final discussion and approval.

A Financial position is presented at each Board meeting by the Treasurer, showing annual budget, year to date income, expenses and current month financial position.

Any expenditure not included in the annual budget must be approved by the Board.

BANK ACCOUNT - The Society bank is the Toronto Dominion Bank in North Hills.

Two signatures are required on all cheques. Signing officers are the Treasurer, the President and the Secretary. The bookkeeper has signing authority for access to the bank statement.

BILL PAYMENT - All expenses are prepared by the bookkeeper by cheque on the 15th and 30th of each month. The treasurer or another signing officer will review and authorize each invoice and cheque for signing. A copy of the bill is initialed by the treasurer and must be on file with the cheque number and budget line/code.

CASH RECEIPTS & DEPOSITS - All cash, cheques and credit card payments are issued a receipt and deposited in the Society bank account. Deposits are reconciled to the bank statement monthly by the bookkeeper and reviewed by the Treasurer.

CLIENT CREDIT BALANCES – A quarterly report of outstanding liability balances in the Active registration system must be reviewed by the Treasurer. In May each individual must be contacted to determine if they want a refund, a continuing credit balance or to make a donation to the Society and receive a tax receipt.

EXPENSE REQUEST FOR REIMBURSEMENT - All requests for funds must be accompanied by dated receipts, an explanation of the expense, signed and totaled on a Request for Repayment form and sent to the KALS office for processing by the bookkeeper and reviewed by the Treasurer. A signing officer must initial and approve payments.

INCOME TAX RECEIPTS - Official receipts for tax purposes are provided for cash donations by the Treasurer who will issue these when the money has been deposited. The Treasurer will advise the Board of donations so they can be acknowledged. To receive a receipt for a Gift-in-kind the donor must provide an appraisal by a qualified person.

NSF CHEQUES - A charge of \$10.00 plus bank charges will be assessed to returned cheques.

OPERATING RESERVE - A reserve fund target equal to one year of expenses will be established to ensure the organization has sufficient funds for one-time expenses, capital costs or emergency expenses.

PROGRAM

The Program Committee will develop courses for two semesters a year. The Fall schedule runs from September until December. The Winter/Spring session runs from January until June.

The final program will be provided to the office and Publicity Chair at least two weeks in advance of publication on the website to ensure adequate time for registration and administrative preparation. Registration dates will be finalized by the Board in June and October.

PUBLICITY

PR PLAN - The Publicity Committee will consult with the Program Committee and develop a communication plan before each semester. The plan will include both the costs and timing of free and paid advertising.

CLASS SCHEDULE - The Program Committee Chair will provide the final schedule to the Publicity Chair and office two weeks before registration begins. Courses publicized must be confirmed in the schedule.

WEBSITE - Changes to the website are made by the office on approval of the Publicity Chair or President.

VOLUNTEERS

VOLUNTEER ROLES - Volunteers are KALS lifeblood; as leaders, teachers, planners and organizers, they provide the skills and labour to create the program. No one is paid to plan or lead a class. New volunteers are always welcome and will be interviewed and oriented by the chair of the work area. Volunteer Job descriptions are updated by the Board and available on the KALS Website. Volunteer participation ensures classes are delivered effectively and the Society business is efficient and cost effective.

INSTRUCTOR LISTS - A list of program volunteer instructors/presenters is maintained by the office with contact info and classes taught.

SUPPORT VOLUNTEERS - A list of Administrative, committee and board roles is maintained by the Board and is available on the KALS website. The roles include chairing committees, publicity management, class organizing, technical support and short-term projects. A contact list of support volunteers is maintained by the Board.

CLASS INSTRUCTORS - All classes are led by volunteer instructors. Instructors will create their own presentations, provide a short synopsis of the course for publicity and indicate student supplies needed and space, equipment and other supports required. Any out-of-pocket expenses will be reimbursed on the proper form. Instructors are offered one free class registration in the semester in which they teach.

CLASS COORDINATORS - Each class is organized by a member of the Program Committee. The coordinator is the primary link to the instructor and provides the details to both the instructor and office of the requirements to hold the class. These include date and time, room set up, equipment and supplies needed, class description, instructor bio, and ensures the instructor has all of the supports needed to run the class. The Coordinator may also act as the class host.

CLASS HOSTS - Each class will have a host to manage administrative detail on the day of the class such as equipment, class lists, introductions, thank you, etc. Class Hosts do not pay for attending class.
